

CHAMPAGNE

OENOOTHÈQUE

2007

The DRAPPIER estate covers 70 hectares. It is the key asset of the character and the regularity of our wines. Since 1808 our family farms vineyards on south-facing slopes on limestone soil, producing expressive and aromatic Champagnes.

Oenothèque is the family's private collection. We keep our rare vintages in the confidentiality of our vaults dating from the 12th century and of our cellars in Reims. By disclosing them, we share the memory of the house.

THE 2007 VINTAGE ACCORDING TO THE DRAPPIER FAMILY

A year marked by freshness, 2007 now expresses itself with great subtlety: delicate white fruit aromas, orange blossom balanced by a minerality characteristic of the limestone terroir.

VARIETIES

Pinot Noir 60 %
Chardonnay 40 %

WINE MAKING AND AGING

Only "Cuvées" are used (1st pressing) on a membrane press (low pressure). From the press to the tanks without pumping, using gravity. Natural settling. Natural fining in winter, no filtration. 12% Alc. Racking and malolactic fermentation straight away at a temperature of 18°C. Fining at a low temperature in the winter (5° to 8°). No centrifugation, no filtration.

LOW DOSAGE: 4g/L
