

CHAMPAGNE

BLANC DE BLANCS

Primarily cultivated on the Jurassic Kimmeridgian limestone soil of the Côte des Bar, the Chardonnay expresses itself with a distinctive minerality. A touch of Blanc Vrai complements this unique **Blanc de Blancs** with a hint of generosity, common to all Drappier cuvées.

DÉGUSTATION

The nose brings to mind white peach and pear but also more floral notes such as peony. On the palate a mineral Champagne, lightly biscuity, creamy, supple, seductive.

SERVICE

At the table it goes superbly with white meat, chilled smoked salmon with citrus fruits, tagliatelle with scallops.
Serve at 7°C.
